Passion for the Profession of Nursing?

Whether you are currently in the health care field and are ready to move forward, or have always had the desire to be a nurse...

Information Night July 22, 2019

6:30 P.M.

- The School of Nursing at CVCC has been educating students since 1963. Cooperative agreements with many community health-related organizations provide clinical facilities.
- Successful completion of this 1,200 clock hour program affords the individual the opportunity to take the licensure exam for practical nursing (NCLEX).
- Pre Entrance testing is required. Upcoming WorkKeys test dates and test registration can be found on our website, <http://www.cvccworks.edu/Nursing.aspx>
